COMPOSITION SAMPLE: REUBEN'S DEMON

Copyright 2008, Aeron Ogden

*Reuben's Demon* is another piece composed as concept music for the Kingdom Come movie project, however, this piece was not merely a sketch. It was scored and synchronized to an animated scene from the previsualization. The music accompanies a scene where Jesus casts out a demon from a man who approached him menacingly in the synagogue. The music is meant to capture a sense of the divine, the wonder of supernatural power, and the amazement of the onlookers.
